BIM MODELLING EXAMPLE (Revit)

3d MODELLING (Others)

The background of the slide is a grayscale image of an industrial facility, likely a refinery or chemical plant. It features a complex network of pipes, valves, and structural steel. In the foreground, there are several large, horizontal cylindrical tanks. In the background, there are tall, vertical storage tanks. The entire image is dimmed and has a dark blue overlay. A semi-transparent dark blue horizontal bar spans the width of the image, serving as a backdrop for the 'THANK YOU' text. A solid orange vertical bar is located on the right edge of the image.

THANK YOU
